# Counting Collections

We are counting \_\_\_\_\_.

**Estimation** We think there are about (circle one):

25      50      75      100      125      150      175

**Our Plan for Counting:** We will count by \_\_\_\_\_.

**Draw a picture that shows how you counted.**

**Our final count was** \_\_\_\_\_

**\*\*Remember that your teacher needs to be able to check your count.**

**Write an equation that shows how you counted.**
