# Subtraction Strategy
Counting Back

14 – 7 =

"I start at 14 and count back 7 jumps. I can use an open number line to help me and show my work."
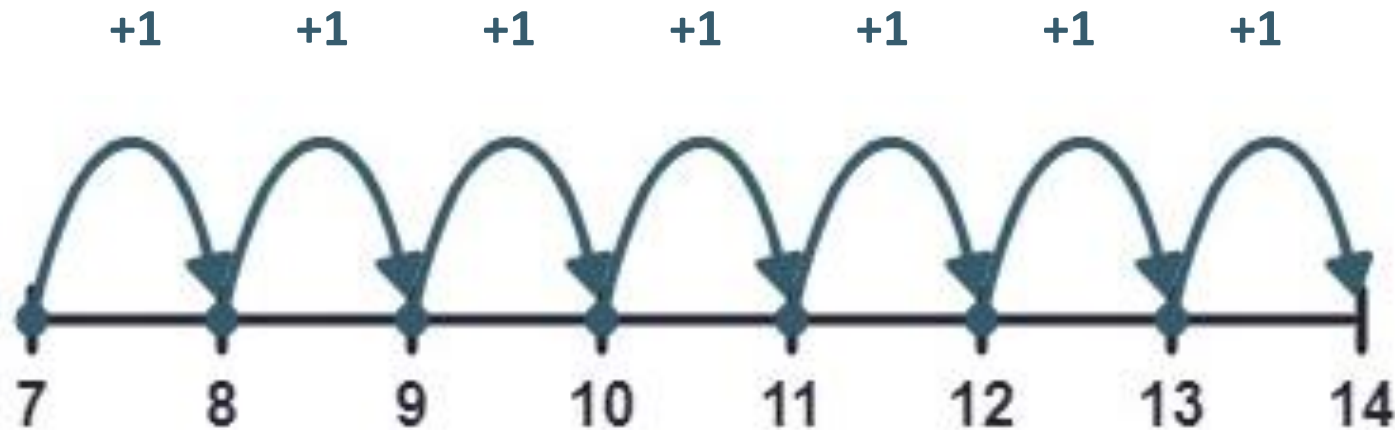

Subtraction Strategy
Removal

14 – 7 =

"I have 14 and I take 7 away. I can use ten frames to help me and show my work."

Subtraction Strategy
Counting Up

$$14 - 7 =$$

| +1 | +1 | +1 | +1 | +1 | +1 | +1 |

7   8   9   10   11   12   13   14

"I start at 7 and count-up 14. I can use an open number line to help me and show my work."
